WARNER

TOWN REPORT
1993

**Annual Reports of the
Selectmen, Treasurer, Town Clerk, and Tax Collector**

of the
**TOWN OF
WARNER, NEW HAMPSHIRE**

**Together with the reports of the
Warner Village Fire District, Vital Statistics, Etc.**

Cover Photo:

USS KEARSARGE (LHD3) is the latest ship to join the Atlantic Fleet. In naming this ship after the mountain in Warner, the Navy honors three previous ships with this illustrious name. The first was a steam sloop-of-war active during the civil war. The battleship named KEARSARGE was commissioned in 1900 and served for twenty years. The third ship to bear the name KEARSARGE was an aircraft carrier commissioned in 1946 which served in both the Korean and the Vietnam wars. The latest assault ship's primary mission is to embark, deploy and land a Marine Landing Force via landing craft and helicopters. The ship has 1,077 crewmembers and can embark 2,074 Marines and their equipment.

LHD 3 is 844 feet long with a beam of 106 feet. Two steam propulsion plants, developing 70,000 combined horsepower, will drive the 40,500 ton ship to speeds in excess of 20 knots.

DEDICATION

Thomas B. Henley

The Selectmen of the Town of Warner are pleased and honored to dedicate this Town Report to Thomas B. Henley, who exemplifies true dedication to community service.

Tom was born in Warner and can trace his roots back to Nathaniel Bean, who settled in Warner between 1770-1775. He was educated in Warner schools and graduated from Simonds Free High School in 1941. He enlisted in the U.S. Army in 1943 and served in the European Theater through the end of WWII. Tom started work at Kearsarge Insurance Agency in 1946, purchased the business in 1961, and continued until his retirement in 1988.

Tom has been and continues to be very active in Town affairs. He has served as Almoner of the Foster and Currier Funds for 42 years, was a member of the Fire Department for 25 years, served as Town Treasurer for 20 years, Trustee of the Trust Funds for 14 years and 3 years on the Warner School Board.

In addition, Tom was and continues to be active in community activities. He has been deeply involved with the Fall Foliage Festival, having served as its chairman. He has served as a member of the Warner Planning and Development Association, member of the Concord Hospital Board of Directors, Board of the Simonds Fund and Trustee of the Pine Grove Cemetery Association of which he is currently President.

Tom is a charter member and one of the organizers of the Warner Men's Club, an American Legion Member since 1945, and a member of Harris Lodge #91, F & AM since 1946. Along with his wife "Dory", Tom was given the Warner MensClub Community Service Award in 1991.

On behalf of all the citizens of Warner, we extend to Tom Henley our thanks.

SELECTMEN'S REPORT

We continued to make great strides in our program of Town Hall improvement and beautification. In 1993, thanks to the Fall Foliage Festival, a new floor was installed in the Main Hall and other floors refinished. We were also able to recarpet some areas with the donation of carpet from Merrimack County Telephone. Extensive electrical work was completed to bring the building up to code.

Progress was also made outside the building with the very generous gift of a new flag pole by Jack Chandler, new flood lighting and the planting of flowers by the Women's Club. In addition, Ed Mical did the work and the Festival paid for lighting the monument.

The revaluation is going well and we are very pleased with the data that has been collected. At this point in time, all residential property has been measured and listed and the commercial property is 60% complete. Land appraisal should be completed by the time you receive this report and we are still planning to publish the new assessments in the spring. We remind you that the tax bill you receive in June will be one-half of your 1993 bill. Your December bill will reflect your new assessment and the 1994 tax rate. We encourage you to carefully review your assessment and if you have any questions or disagree, please

make an appointment to see the Selectmen. Waiting until you get your tax bill is too late.

We are happy to report that twice-a-year tax billing has been a great success. In 1990 we spent \$103,800.00 in interest charges for money that was borrowed to run the Town. In 1993, as a result of twice a year billing, we reduced our costs of borrowing to \$14,300.00.

We continue to look for ways to increase our tax base and welcome the expansion at WPI, Inc. and look forward to the planned supermarket at Exit 9. We also want to welcome the Kearsarge Elderly Housing Project (Northridge) to Warner. Our school funding requirements increased by \$225,000.00 to \$2,225,000.00 in 1993 and based on the 1994 school budget, we can expect an additional increase this year. We cannot over emphasize the need for everyone to attend the annual school meeting on March 5, 1994.

1994 will see some personnel changes as far as Town employees are concerned. On February 1, 1994, Police Chief Mike Cutting will be stepping down and Sergeant Bill Chandler will be taking over as Acting Chief. We owe Mike our sincere thanks for a job well done. Since being appointed Chief in 1987, Mike has worked diligently towards building professionalism within the department and getting to the point of having a full-time chief.

We also will be saying goodbye to Harry Anderson at the end of February. Harry has been with the Town since 1967 and has been a very loyal employee. Harry has always been the first person to show up for work and has always gone the extra mile willingly when required. We wish him smooth sailing in retirement. We also want to thank Ed Harrison for all his great work as Janitor of the Town Hall. The building never looked so good, Ed retired at the end of October. Finally, we said goodbye to a dear friend and outstanding citizen with the passing of Jack Hunt in November. We miss him greatly.

Respectfully submitted,

J.D. COLCORD, *Chairman*

RALPH C. KEMPER

AUDITOR'S REPORT FOR THE TOWN OF WARNER FOR THE YEAR ENDING DECEMBER 31, 1993

To the Board of Selectmen
Town of Warner, New Hampshire

Gentlemen:

I have audited the accompanying balance sheet of the Town of Warner, New Hampshire for the year ended December 31, 1993, and the related statements of revenues, expenditures and changes in fund balances for the year then ended. These financial statements are the responsibility of the Town's Management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all materials respects, the financial position of the Town of Warner, New Hampshire, as of December 31, 1993 and for the year then ended in conformity with the generally accepted accounting principles.

Respectfully submitted,

L. Patrick Kelly

Certified Public Accountant

February 8, 1994

TOWN CLERK'S REPORT

"A YEAR IN REVIEW"

Or may I say ten years in review. On October 4th 1984 I accepted the position of Town Clerk upon the retirement of Ruth Gervais. (I had served as Deputy Town Clerk since 1981).

As I write this report, our first major snowstorm is whirling snow around on the front lawn; sometimes fast and other times just lightly falling. Like the whirling snow, some of those years whirled past and others drifted by. Many changes have occurred during those years both in the Town, and here in the office. My thanks reach out to all of you for allowing me to be a part of those years.

The office is happy to report this year's income has surpassed all previous years. Application has been made to extend the Municipal Agent Services to include the issuance of Farm, Agri and Tractor plates. I have been assured it will take place as soon as Concord processes the paperwork.

Thanks again to the Fall Foliage Festival Committee for providing the funds for the restoration of the Town's Vital Record book 1936-1937 and to you, the Townspeople, for the restoration of the two volumes dating 1938-1948. All are welcome to view these books during office hours.

Dog License - "Each dog over three months old must be registered by its owner or keeper prior to April 30 each year". Effective January 1994 for each altered dog the fee will be \$6.50. The fee for each regular dog will be \$9.00. For dog owners 65 or over, the fee shall be \$2.00 for the first dog, but the regular fee shall apply to any additional dog. RSA466:4,1,11. (The \$2.00 increase will be sent to the State Treasurer. A program will be set up to help low-income owners get their animals neutered).

I am happy to announce my acceptance as Second Vice-President of the New Hampshire City & Town Clerks' Association. My responsibilities include being a member of the Executive Board and the Legislative Committee; positions which enable me to have the opportunity to voice the concerns of Warner before Bills are enacted.

Kathy and I were saddened with the passing of "Jack" Hunt in November 1993, we will miss him dropping by with his warm smile and twinkling eyes. His absence will be felt by those he helped both here in the office during election time and around town. He was a dear friend.

May the year 1994 bring health and happiness. As always, Kathy and I look forward to seeing you in the office.

Respectfully submitted,

JEANNE C. HALLENBORG,
Town Clerk

1994 BUDGET COMMITTEE REPORT

At the time of this report the Budget Committee's duties have almost been completed for the 1994 budget.

We have met on a regular basis since December 1993 with all of the Agencies, Department Heads, Board of Selectmen and the Commissioners of the Warner Village Water District. We listened to everyone and asked many questions gaining a wealth of knowledge which is the basis of the 1994 budget. We were made aware that the Police Department activities have increased due in part to phone calls (help, I can't control my child, help how do I jump start my car, etc.) that require a response from a police officer—use of the ambulance increased as individuals no longer transport in private vehicles for sprained ankles, nose bleeds, etc.—the Fire Department between December 1, 1993 and January 6, 1994 had responded to 38 emergency calls. Donations for this department have decreased and so they are having to come to the town for more assistance. Emergency Management is lacking training for an emergency involving hazardous materials and many of these materials are passing through Warner on the Interstate. The Transfer Station in the hopes of keeping tonnage down has found an outlet for recycling textile materials. There are many other details that we have been informed of but too numerous to mention here.

The Capital Improvement program (as presented) shows us life into 1999. This program projects capital expenditures in the future with an objective of keeping a constant amount between bonds (including interest), capital reserve and capital outlay so that the tax rate will not have extreme fluctuations. We have talked for years about relieving the congestion (as the town continues to grow) at the corner of Main Street and Kearsarge Mountain Road and the corner of Main Street and School Street. These projects are included in the Capital Improvement program and should be funded in the near future.

All through the budget process we try to reflect the tax payers needs and desires. Without your presence at the hearings and lack of input we are not able to do this. We hope the 1994 budget will reflect the direction in which the town is going.

Respectfully submitted,

Barbara Annis, *Chairwoman*

Joanne M. Hinnendael

Nils E. Regnell

Richard M. Cutting

George Lindner

Hastings Rigollet

J. D. Colcord, *Selectmen's Rep.*

Philip W. Lord, *Precinct Rep.13*

THE STATE OF NEW HAMPSHIRE
WARRANT FOR THE TOWN MEETING

THE POLLS WILL BE OPEN FROM 9:00 A.M. to 7:00 P.M.

To the Inhabitants of the Town of Warner in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Warner Town Hall in said Warner on Tuesday, the 8th day of March, next at 9:00 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

ADJOURN TO WEDNESDAY, MARCH 9, 1994 AT 7:30 P.M.

2. To see if the Town will vote to adopt and ratify the change in the Salisbury/Warner Town line in the so-called Watson District of Quimby Road area, as set forth in Chapter 33 of the 1993 session laws passed by the New Hampshire Legislature and to raise and appropriate the sum of \$24000.00 as Warner's share of the expense to effect this change. This article, if passed shall take effect only if the voters of the Town of Salisbury similarly vote to adopt and ratify the Town line change on or before June 30, 1996. The effective date of the Town line change shall be April 1st in the year next following ratification by both towns. (ballot vote, two-thirds vote required) Not recommended by the Budget Committee and not included in the budget.
3. To see if the Town will vote to raise and appropriate the sum of \$5500.00, as the Town's contribution of a new ambulance for the Town of Bradford. (Recommended by the Budget Committee and included in budget).
4. To see if the Town will vote to authorize the Board of Selectmen to establish a Town swimming and recreation area at the Silver Lake Reservoir.
5. To see if the Town will vote to authorize the Board of Selectmen to establish, as a Town forest, the property now owned by the Town and formerly known as Carriage Trail Acres and to direct the Board and/or its agents to practice good forest management.
6. To see if the Town will vote to authorize the Board of Selectmen to layout a new road between Kearsarge Mountain Road and North Road and to conduct negotiations to acquire the land.
7. To see if the Town will vote to authorize the Trustees of the Town Cemeteries to increase the trust fund portion of the costs of cemetery lots in the Town cemeteries from \$100.00 to \$200.00.

8. To see if the Town will vote to raise and appropriate the sum of \$50,000.00 in order to establish a Capital Reserve Fund for new highway equipment. (recommended by the Budget Committee and the Selectmen and included in the budget.)
9. To see if the Town will vote to raise and appropriate the sum of \$70,000.00 in order to establish a Capital Reserve Fund for a new fire truck. (recommended by the Budget Committee and the Selectmen and included in the budget.)
10. To see if the Town will vote to raise and appropriate the sum of One Million Five Hundred Eleven Thousand Eight Hundred Nineteen Dollars (\$1,511,819.00) which represents the bottom line of the posted budget, as recommended by the Budget Committee. (Said sum is inclusive of all articles included by the Budget Committee.)
11. Shall the town accept the provisions of RSA 31:95-B providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal, or other governmental unit or a private source which becomes available during the fiscal year?
12. Shall the town accept the provision of RSA 33:7 providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to issue tax anticipation notes?
13. To hear reports of the officers of the Town heretofore chosen and Committees appointed and pass any vote relating thereto.
14. To see if the Town will authorize the Selectmen to sell property taken for taxes by sealed bid or public auction or as justice may require after notifying abutting property owners of pending sale. This authority is granted indefinitely, until rescinded by Town meeting.
15. To see if the Town will vote to authorize the Board of Selectmen to accept the dedication of any street shown on a subdivision plat approved by the Planning Board, provided that such street has been constructed to applicable town specifications as determined by the Board of Selectmen or their agent. The Board of Selectmen shall refer proposed names of roads within the Town of Warner to the Naming of Roads Committee which shall in consultation with the Warner Historical Society, recommend to the Selectmen for approval by the Town names which possess historical association with the Town of Warner.

- 16. Shall the town accept the provisions of RSA 202-A:4-C providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the public library trustees to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year?
- 17. To see if the town will vote to authorize the Selectmen to accept gifts of personal property which may be offered to the town for any public purpose, pursuant to RSA 31:95-E. The Selectmen must hold a public hearing before accepting such gifts and no acceptance shall be deemed to bind the town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of any such personal property.
- 18. To see if the Town will vote under RSA 31:39 to permit the Board of Selectmen to adopt bylaws on behalf of the Town of Warner until the next annual meeting.
- 19. To transact any other business that may legally come before said meeting

Given under our hands and seal, this 7th day of February, in the year of our Lord nineteen hundred and ninety-four.

**WARRANT OF
WARNER VILLAGE WATER DISTRICT
ANNUAL MEETING
1994
THE STATE OF NEW HAMPSHIRE**

To the inhabitants of the Warner Village Water District in the Town of Warner, in the County of Merrimack, in said State, qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said Warner on Tuesday, the 15th day of March next, at 7:30 o'clock in the evening to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose one Commissioner for three years.
3. To choose a Clerk, Treasurer and other agents or officers for the ensuing year.
4. To hear the reports of the District Officers and Committees as printed in the Town Report for the preceding year and pass any vote relating thereto.
5. To authorize the Commissioners to apply for, receive and expend, only after a public hearing, any and all grants which may be available for water and sewerage systems of the District or for any study as may be required or appropriate relative to the operation or improvement of said systems.
6. To authorize the Commissioners to accept gifts and grants on behalf of the District.
7. To authorize the Commissioners and District Treasurer to borrow money in anticipation of taxes, water and sewer rents on the note or notes of the Warner Village Water District.
8. To raise and appropriate the sum of \$4,800 (Four Thousand Eight Hundred Dollars), said sum being equal to the total tie-in fees paid to the District during 1993 and currently in surplus, to be placed in the WVWD Capital Equipment Fund previously established for the replacement of capital equipment and to appoint the Commissioners as agents of said fund. (Recommended by the Commissioners and Budget Committee and included in the Budget.)

9. To raise and appropriate the sum of \$200,000 (Two Hundred Thousand Dollars) for the purpose of siting and drilling a secondary well as detailed in the grant application of January 18, 1994, to the Office of State Planning, said sum of money to be obtained by a grant from the Office of State Planning and the State of New Hampshire. (Recommended by the Commissioners and Budget Committee and included in the Budget.)

10. To raise and appropriate \$10,000 (Ten Thousand Dollars), and authorize the Commissioners to withdraw that amount from the WVWD Capital Reserve Well Fund for the purpose of undertaking an engineering study to determine the location of a secondary well site on the Royce property. (Recommended by the Commissioners and Budget Committee and included in the Budget.)

11. To amend the By-Laws of the District, Article III. Operation of the District, by changing the word "operation" in the title and in Section 1 to "administration".

12. To amend the By-Laws of the District and its Terms and Conditions, Section 3. Installation and Maintenance of Service Pipe, by changing the hook-up fee specified in the first paragraph from \$500.00 to \$2,000.00; and by eliminating the third paragraph.

13. To amend the By-Laws of the District and its Terms and Conditions, Section 4. Installation and Maintenance of Sewer Pipe, by changing the entrance fee specified in the first paragraph from \$800.00 to \$2,000.00 and by eliminating the second paragraph.

14. To amend the By-Laws of the District and its Terms and Conditions, by replacing the wording in Section 6, Stop and Waste Cock, with the following:

6. Backflow Preventor

Every new service installation must be provided with a backflow preventor located inside the building near the service entrance, easily accessible and protected from freezing.

15. To amend the By-Laws of the District and its Terms and Conditions, Section 20. Meters, by adding the following paragraph between the third and fourth paragraphs:

For all new installations, the term meter shall include a backflow preventor, yoke, meter housing, register assembly and remote reader. In addition, a shut-off valve shall be installed in the line before the backflow preventor and a second shut-off valve after the register assembly. The register assembly and remote reader are to read in gallons.

16. To raise and appropriate the sum of Four Hundred Fourteen Thousand Six Hundred Fifty-Three Dollars (\$414,653) for the operation, maintenance and improvement of the District’s water and sewerage systems, which sum represents the bottom line of the posted budget as recommended by the Budget Committee.

17. To transact any other business that may legally come before the said meeting.

Given under our hand and seal, the 10th day of February, in the year of our Lord, One Thousand Nine Hundred and Ninety Four.

**WARNER FIRE DEPARTMENT ANNUAL REPORT
FOR THE YEAR ENDING DECEMBER 1993**

The year 1993 saw an increase in alarms of 30% that we responded to. The largest increase we had was in false alarms and service calls. Maintenance and inspection of alarm systems is very important and would cut down on the number of false alarms a great deal. Smoke detectors should be cleaned and inspected at least once a year to insure that they are working properly. Smoke detectors continue to be the number one life saver in building fires.

The addition to the Fire Station is now complete. We had an open house in the spring and had great support of the town with many positive comments about the addition. This addition makes it much more comfortable to work and hold training sessions and meetings. We installed a voice mailbox answering system in the Fire Station this year. This allows anyone to leave a message on the business number 456-2222 and your call will be answered on a daily basis. This has worked out very well as there is not always someone at the Fire Station.

We purchased a used air compressor to be used to fill the air bottles used in the self contained breathing apparatus that we use in Fire fighting. This reflects a savings of about \$5,000. over the cost of a new system.

The Officers and Members of the Fire Department would like to thank Gerry Courser for 26 years of service to the Department. Gerry retired this year but he will remain as a Deputy Forest Fire Warden. Brad Kelly resigned this year also. New members to the Department were Bob Dumong and Ron Piroso, Jr. and to the Rescue Company Paul St. Cyr-Butler.

As always we had great support from the Selectmen, the Highway crew and the Police Department. From all the Officers and Members of the Fire Department, we thank you for all your support, it makes our job that much easier and more efficient. To all the residents of Warner, keep up the good work of Fire Prevention. As you will see by the summary of alarms—major building fires are at a minimum.

1993 SUMMARY OF CALLS AND ALARMS

Auto Accidents	27	Brush/Grass Fire	2

Respectfully submitted,
Richard D. Brown
Chief of the Fire Department

REPORT OF THE TOWN FOREST FIRE WARDEN
AND STATE FOREST RANGER

During Calendar Year 1993, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were; campfires left unattended, unsupervised children and debris fires that escaped control. All of these fires are preventable but **ONLY** with your help.

Please help your town and state forest fire officials with forest fire prevention. New Hampshire State Law (RSA 224:27 II) requires that, “No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done.”

Violations of RSA 224:27 II and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$1,000.00 and/or a year in jail and you are also liable for all fire suppression costs.

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1993 and participated in many fire prevention programs. This year, the nation is celebrating Smokey Bear’s 50th anniversary. The State of New Hampshire Forest Protection Bureau will be working with many communities to spread the fire prevention message - “Remember... Only **YOU** can prevent forest fires.” Fire prevention is the most cost effective fire suppression tool. Please be careful around fires and help us and our communities have a fire safe year.

“REMEMBER...SMOKEY HAS FOR FIFTY YEARS!”

Special Note: L. Ernest Nichols, will be assuming the duties of Forest Fire Warden for the Town in 1994. Please contact him or one of the Deputy Wardens or the Warner Fire Department for information regarding fire permits and forest fire laws.

FOREST FIRE STATISTICS - 1993

Number of Fires	545	79	2
Acres Burned	224	66	4

TO REPORT A FIRE ONLY, CALL 456-2233.

RICHARD S. CHASE
Forest Ranger District 2

PAUL E. VIOLETTE
Forest Fire Warden

WARNER POLICE DEPARTMENT

1993 was a busy year for the Warner Police Department and we believe we are doing a better job of meeting the needs of the community. Officer John Brooks completed the New Hampshire Police Academy in 1992 at his own expense and became our second full time officer last March. The addition of John plus Karen Gleason in the part-time clerical position doing the administrative work has substantially enhanced our ability to respond to the requests for service. During 1993 there was a meaningful decrease in burglaries which we think is directly attributed to the increased visibility of the police patrols.

The Police Department also became more involved with the students of Simond's Elementary School. With the assistance of the New Hampshire Highway Safety Agency, Highway Safety grants were utilized for a bicycle safety program with the awarding of bicycle safety helmets to several students. A Captain Smiley program was conducted by the New Hampshire Highway Safety Agency and the Warner Police Department. Warner Police Officers hosted discussions with students emphasising seat belt safety and school crossing guard safety with special attention given to school bus and bicycle safety and walking/crossing the street. Many thanks to the New Hampshire Highway Safety Agency.

The Warner Police Department would also like to thank all the residents of Warner for their assistance and understanding throughout the year. Special thanks to the Warner Highway Department, the Warner Fire Department, the Warner Animal Control Officer and the Board of Selectmen for their assistance and support, showing that team work gets the job done.

Respectfully submitted,

Sergeant William E. Chandler

ANIMAL CONTROL OFFICER’S ANNUAL REPORT

As you all know, rabies is coming this way and I expect it to be in our area this year.

Let’s protect our pets, family and Community from rabies, (1). have all pets vaccinated against rabies, (2). always keep your pets inside at night. This is when wild animals are most active.

Revaccinate your pet if you think it has been in a fight with another animal. Never feed, touch or get near any animal that doesn’t belong to you, wild or domestic.

Always report any animal bite as soon as it happens. Make sure after your dog is vaccinated, it is licensed and the dog is wearing its tags. This is very important and it is the law.

Remember the Town of Warner has a leash law and we will enforce it, so please keep your dog confined to your own property unless it is with you or another member of your family. If you have any questions regarding rabies, please call your veterinarian. If you have any questions on the N.H. State Laws and/or Warner Town Ordinances or wish to report any animal complaints, please call the Animal Control Officer at 456-3432 and leave a message with the dispatcher.

As a locally based non-profit organization, we try to support all of our communities by employing qualified people and by purchasing goods and services from local vendors. We are pleased to report that out of the 182 people we have employed this year, 151 or 83% live in the towns from which we receive appropriations. In your town, ten people do or have worked for us during the year.

Thank you for your continued support of our agency and its services, especially during this era of health care reform. We continually strive to ensure that our staff and services are of the highest quality. To that end, we are pleased to let you know that this year our organization was certified for Medicare Hospice services and was accredited with commendation by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO). Your town representative on the Board of Trustees is Henry Bothfeld.

Cheryl Blik

President and CEO

HIGHWAY DEPARTMENT REPORT

Severe cold weather caused the majority of culverts to freeze in December 1992 and January 1993. Heavy rain in the spring along with the melting of the deep snow cover from February and March caused washouts and deep mud. This situation consumed large amounts of overtime by our department to resolve these problems. Brown Road was hit the hardest, having two major washouts and one section, 1000' in length, rendered completely impassable due to mud. The road was long overdue for repairs.

Widening of the Poverty Plains Road was accomplished in conjunction with Merrimack County Telephone Company. They paid to have the trees cut so they could put in a new pole line. I would like to thank John Hill and Wayne Eigabroadt for allowing the town to widen the Right-of-Way on their lands. I would also like to thank Fred Courser for allowing us to remove a large sand bank obstructing the road. The sand removed will be used for roads in 1994. The Poverty Plains Road was also treated with 3000 gallons of liquid calcium chloride to control dust and reduce the need for grading. Some more work is being planned for 1994 and it will again be treated with calcium chloride.

With the cooperation of the Chandler Reservation Committee the middle section of the Bean Road (approx. 9/10 of a mile) was cleared, sloped, ditched and drainage work was done to make it passable for year-round use. More work will be scheduled in 1994.

Approximately 8/10 of a mile of Newmarket Road was surfaced this year. Gravel was added where needed and 4 inches of reclaimed asphalt was hauled in and re-ground in place. A 1 inch cap of new asphalt was put on to seal the re-ground asphalt. This is the first time we have used reclaimed asphalt to surface a newly constructed road. The process was accomplished under contract and saved several thousand dollars. We will be watching to see how it works out. Guard rails, shoulder work and more reconstruction will be done on Newmarket Road this coming year.

I would like to thank Mrs. Evie Joss for giving the town an additional 1 rod Right-of-Way on her land. It will help greatly in further reconstruction of Newmarket Road from Waterloo covered bridge to George Smiths.

Depot Street was completely reconstructed and widened. New storm drains, gravel, curbing and water/sewer lines and a new sidewalk base were installed. A new parking lot was constructed for the library at the same time.

Kearsarge Street Extension was reconstructed at the same time as Depot Street. The new storm drains that service the entire center of town drain down Kearsarge Street Extension and were causing extensive erosion where they emptied at the American Legion Hall area. To curtail the damage this was causing and eliminate

the dirt it was putting into the Depot Street drainage system and Warner River, it was decided that it would be best to take care of the problem at this time and not come back next year and dig up the street again. I would like to thank Weaver Brothers Construction for a fine job well done, and our thanks to WPI who paid for the curbing on one side of Kearsarge Street Extension and donated the funds to do the sidewalks around the library parking lot and Pellettieri Associates, Inc. for their help with the sidewalk.

We have experienced some expensive equipment break downs this past year; two Mack trucks having gone over 90,000 miles, the grader is now 10 years old and the other equipment is all getting older. I have planned for some additional repairs this year. I would also like to thank everyone for their help and support and I look forward to serving you in the coming year.

Respectfully submitted,

Allan N. Brown,
Road Agent

TRUSTEES OF THE PILLSBURY FREE LIBRARY ANNUAL REPORT - 1993

This was a special year for the library, both literally and figuratively. Our beautiful building, built at the end of the nineteenth century, will soon be entering the twenty-first century sporting an attractively and practically renovated interior plus an addition that will serve to triple the original floor space. We hope that 1993 will be considered a landmark year, not only because of the obvious improvements to the building, but more importantly, because of significant improvements in service to the community the construction project allows. Over a period of several years, many people worked hard to conceive, finance, and complete this project. Their ultimate success is a tribute to the unfailing community spirit of this town.

Out of necessity, the trustees spent most of their time and energy this year on the seemingly endless tasks and decisions related to the construction project. In the winter, construction drawings were put out to bid so that we could present an accurate cost estimate at the 1993 town meeting. At that meeting, the town voted to raise and appropriate the sum of \$200,000 for the renovation and expansion of the library. This sum, when added to the nearly \$400,000 already in the PFL Building Fund, enabled the trustees to proceed with the proposed renovation and construction. Bonnette, Page and Stone of Laconia was chosen as the general contractor.

Site preparation and construction began in early April. A spirited and well attended groundbreaking ceremony was held in early May. The work proceeded smoothly during the summer, without interruption of library services until mid-August when we closed for renovation of the original building. Patrons were encouraged to borrow boxful of books to assure them of reading material for the duration of the closing, and also to decrease the number of books to be packed and moved. Brown Memorial Library in Bradford graciously offered to open their doors to our patrons. The staff and many volunteers worked doggedly to pack and move virtually the entire contents of the children's room and the "boiler room" into a barn across the street. During the closing, most of the staff took planned vacation and/or unpaid leave, or worked on projects that could be accomplished elsewhere.

The library re-opened its doors in early October, limiting services and materials to whatever could be accommodated in the upstairs area of the original building. As of this writing in early January, the construction is almost complete. As soon as the heating system is found to be satisfactory and the carpet is laid, we will be able to begin moving into our new space. We hope to have a formal dedication of the addition during National Library Week in the spring of 1994. At that time we

will be able to recognize by name the many individuals and businesses who have given generously of their time, energy, skills, vision, materials, storage space and financial support.

Our goals for 1994 include continued fundraising for additional shelving and other furnishings; the development of a comprehensive set of bylaws and policies for the operation of the library; development of a plan for computer services and procure necessary hardware and software; commence the Frank Maria Lecture Series; establish a film series; establish an active association of Friends of the PFL; recruit more volunteers to help with special programs as well as with routine operations; and implement further improvements in our service to the community.

The trustees would like to thank everyone for their patience and support during construction. We especially want to commend our Librarian, Nancy Ladd for her continuous dedication to the details of this project and for the great amount of unpaid time and effort she contributed. She was greatly aided by her devoted staff: Anna Allen, Assistant Librarian; Pat Leary, Library Assistant; Lori Terwilliger, Library Aide; and Sonny George, Library Custodian. The trustees appreciate your suggestions and continued support. Call any of us, or come to a board meeting. We meet at 7:00 P.M. the third Tuesday of the month, and welcome your participation.

PILLSBURY FREE LIBRARY LIBRARIAN'S REPORT

1993 CIRCULATION

Adult and teen books	6,916
Children's books	6,806
Magazines	1,593
Audio & video recordings	<u>538</u>
TOTAL	15,853

In 1993 the library added 605 books, 15 audio books, 15 children's readalongs, 4 music cassettes, and 15 videos, many of which were donations.

We lost and removed 145 books and 3 recordings. This brings the total estimated holdings to 14,845 books, about 831 recordings, 50 videos, 138 filmstrip sets, 64 microfilm reels and 70 magazine subscriptions. Through inter-library loan service, 219 items were borrowed from other libraries and 101 were loaned out to other libraries.

During 1993 we added 146 new borrowers and lost 116. This brings our total registered borrowers to 1,390, including Magdalen College Students.

It has been an exciting but hectic year, due to the construction of our new addition, and the fact that we had to close for a while for renovation work. We thank all of you for your patience with the disruption in library services which this caused.

Although we had to suspend our children's storytimes for the latter half of the year due to construction, we held a total of 80 programs, attended by a total of 743 people. This included "Living Reference" programs for adults, as well as our regular storytimes for 3 year-olds, 4-6 year-olds, Head Start, Kearsarge Children's center, and summer programs for elementary school children. The State-wide summer theme, "Ketchup on your Reading" was illustrated by Warner resident author True Kelley. This theme was also done on T-shirts which sold like hot-cakes!

The book discussion group has continued to meet once a month at the library and welcomes new members. In 1994 we look forward to holding many programs for adults in our new meeting room, including the first program funded in 1992 by Warner resident Frank Maria for "Promoting Understanding Between Peoples".

Other changes in the Library include the resignation of Library Assistant Pat Leary after 8 years of service. We'll miss her greatly—although she will still help out from time to time. In her place we welcome our new Assistant Joyleen Seymour. In closing I wish to extend a big thank you to all the volunteers who donated hours of general help in the library during 1993, as well as all who helped with the book and bake sales, the summer programs and packing for moving us into storage. A special thank you to George and Jean Flanzer who generously provided storage space for library books and furniture during our renovations. Thanks also to the anonymous donor who once again enabled the library to provide books for 50 children via the Warner Christmas Program.

Respectfully submitted,

Nancy Ladd, *Library Director*

1993 WARNER FALL FOLIAGE FESTIVAL REPORT

Standing: L-R Steve Hall*, Martha Mical-2nd Chair**, Allan Brown**, Sue Bartlett*, Joanne Hinnendael*, Joe Brassard**, Steve Holmes* *Kneeling:* L-R Steve Cermak-1st Chair**, Penny Courser**, Kathy Parker** *Sitting:* L-R Lillian Baier-Treasurer**, Carol Piroso-Secretary**, Sharon Boyle** Missing when photo was taken Brian Emery-President**
 **=Board Member, *=Volunteer

The members of the 1993 Board of Directors would like to thank all those volunteers who donated their time to make this years' festival such a huge success.

We were able to distribute the \$12,000.00 profit to the following town organizations:

1. Town of Warner — \$3,750 for proposed Silver Lake Swimming Area
2. Warner Fire Dept. — \$3,750 for E.M.S. training
3. Warner Youth Sports — \$700 for portable bleachers
4. Warner Town Treasurer — \$500 for the Davis Awards
5. Kearsarge Childrens' Center — \$425 for construction of a storage shed
6. Warner Town Clerk — \$321 for restoration of town records
7. Simonds PTO, Warner — \$250 for playground maintenance
8. Warner Fire Explorers — \$250 for safety gear
9. Kearsarge Area Friends Program — \$200 for Activity Funding
10. Warner 4-H Club — \$150 for special arts projects
11. Warner Co-Op Kindergarten — \$60 for a Cannon camera
12. Warner F.F.F. Inc. — \$1,644 for future project fund

Respectfully submitted,

Stephen M. Cermak-1st Chair

PLANNING BOARD ANNUAL REPORT

This has been a very productive year for the Town of Warner.

We would like to extend a very warm welcome to Mesa International, located in the old Hill Box building on Kearsarge Mountain Road. Jerry Barnes, President, shared the history of the privately owned ceramic and glass company. Presently they are utilizing this facility to warehouse their products, with possible future plans of relocating their business office and retail outlet store from Elkins, NH, to Warner. Mr. Barnes expressed his willingness to work with the local community artisans. This can only be a benefit to our Town.

Congratulations to Neil and Linda Dyment who opened a commercial piece of property to allow 7 new businesses to be added to Main Street.

Also Philip Reeder re-opened the Mini Golf Course on Rte. 103 and we want to wish him the best of luck. The WPI Group, Inc. is presently adding a new addition to their facility on Depot Street to incorporate another division to their present electronics businesses. The Board would like to commend them on their willingness to work with the Town and compliment them on a job well done.

We have been fortunate to have heard presentations by the Northeast Rural Water Association and the National Rural Water Association. Their primary aim is to assist the small system operator to provide an adequate supply of quality water to rural residents and help the system meet the requirements of the Safe Drinking Water Act. Their ultimate goal is to increase public awareness to utilize "preventive maintenance."

Also we would like to thank the Central New Hampshire Regional Planning Commission for their continued support. Tom Lindquist presented the Regional Transportation Plan and their goals and objectives for public transportation in the future within our communities.

The Shoreland Protection Act RSA 483-B Fact Sheets were distributed to the public through local businesses. The Board approved one (1) major sub-division and two (2) site plan reviews.

WARNER HISTORICAL SOCIETY ANNUAL REPORT

1993 was a busy year for the Warner Historical Society. In the spring, we were approached by the President of the National Society for the Preservation of Covered Bridges. He and the current owner of the Bagley Bridge wanted to know if we would be interested in undertaking a project to rebuild the bridge here in Warner. The Bagley covered bridge spanned the Warner River behind what is now Braeside Apartments. It was removed in 1966.

As a result of a meeting between Historical Society Board Members and members of the Covered Bridge group, we felt it would be best to bring the issue to the town. We will have an open meeting regarding the bridge this year.

In 1974, the Warner American Revolution Bicentennial Committee reprinted the original Town History titled **THE HISTORY OF WARNER NEW HAMPSHIRE, FOR ONE HUNDRED AND FORTY-FOUR YEARS, FROM 1735 TO 1879**, by Walter Harriman. In late 1993, the Bi-centennial Committee and the Historical Society reprinted this book. The book has different pictures, a new forward and an up-dated, more complete index. The text, however, has not changed. The reprint can be purchased at the Main Street House.

Six years ago, we completed our first long range plan. The plan was formulated to direct activities, programs, capital improvement projects and fund raising. The Lower Warner Meeting House was placed on the National Register for Historic Places, the only building in Warner to be so honored. We have now undertaken the formulation of a new long range plan. Fund raising and volunteer recruitment continue to be an important part of the plan. In addition, there are recommendations regarding the physical structures of the Society, although this new plan addresses more the structure of the Society itself. The plan is nearly complete. It is expected that the plan will be completed and available for public viewing in the early spring of this year. In Warner's most recent Master Plan, a provision was made for a Historic Resource Inventory. The Planning Board appointed the Historical Society to oversee the project that entailed photographing and cataloging all structures in Warner. The Warner Historic Inventory Resource Survey Committee (WHIRS) is nearly finished with the photography portion of the project. Once the information is completely documented and historic information added for those structures over 50 years old, a final evaluation will be made by a Historical Consultant. Any conclusions and recommendations generated by the survey will be presented to the Town for approval.

The Barn Sale had its most successful year yet in 1993. Thanks to all of you who donated items for the sale. We could not have done it without you. The Barn Sale will open for business again this year on Memorial Day Weekend. We look forward to seeing you all again this year. The Collections Committee continues to have a display set up in the lobby of Sugar River Savings Bank. The displays change regularly, so please stop by.

WARNER HISTORICAL SOCIETY ANNUAL REPORT CONT'D.

1993 saw another "What's It?" night, the Nevers Band Concert and our Christmas Open House, to name a few. New programs for 1994 are also planned. Please keep an eye on local bulletin boards, newspapers and cable TV for dates and times. Programs will also be announced in the Society Newsletter. As always, the annual Christmas Party/Open House will be held on the first Sunday in December. The Main Street House is open on Tuesdays, from 1 P.M. to 4 P.M. We encourage all to stop by and visit. If you have any questions, concerns or ideas for programs, feel free to talk to any Executive Board Member.

TRUSTEES OF TOWN CEMETERIES

There are 30 cemeteries managed by the Trustees of Town Cemeteries. Money for the upkeep of these is derived from two different sources. Many of the burial lots have a trust fund in place to pay for the perpetual upkeep of the lot. There are also many lots that do not have such a trust fund and are maintained by town funds. Presently, a trust fund is required at the time of purchase of all lots. This money is invested by the Trustees of the Trust Funds with the income from interest spent on the maintenance of perpetual care lots. The perpetual care lots receive maintenance on a regular schedule throughout the year. Some of the non-perpetual care lots are maintained twice a year. In the spring, the American Legion cleans and mows many of the cemeteries, including some of the more remote town cemeteries, to prepare for Memorial Day. The cemetery custodian does what work funds will allow on non-perpetual care lots in the fall.

The income that is derived from the trust funds is directly linked to the interest rates that are available to the Trustees of the Trust Funds. In these days of low interest rates, the income available for the maintenance of perpetual care lots has dwindled. It is not possible to do the work that is needed with the funds available from the trusts. We believe that to ensure the future care of perpetual care lots we must raise the amount of money that is required to set up a trust fund. Presently, a cemetery lot in the New Waterloo Cemetery costs \$150.00; \$50.00 for the lot and \$100.00 for the trust fund. We propose to keep the cost of the lot the same but raise the trust portion to \$200.00 in all town cemeteries. An article has been placed on the warrant that if passed will enact this price change. We hope that this increase will gradually provide the funds necessary to maintain the perpetual care lots without relying on funds raised by taxation.

We will continue to hold our annual spring work day in an attempt to accomplish some of the many tasks that require attention. With volunteer help, we clean up fallen trees, repair toppled headstones, and maintain fences and gates. If you are interested in helping us and learning some town history, contact one of the Trustees for more information.

We would like to take this opportunity to thank Jan Doughty, the cemetery custodian for a job well done in 1993, the American Legion for the fine work done on the cemeteries each spring, Gerry Courser for mowing the outer field at the New Waterloo Cemetery and Richard Cook who is leaving the Board after nine years as a trustee.

THE WARNER CONSERVATION COMMISSION

On November 30th, Damon Carter granted a conservation easement to the Town of Warner on 36 wooded acres of his land on Pumpkin Hill. The easement includes a portion of Willow Brook. The easement provides permanent protection from development, preserving it for future generations in its natural condition.

1993 marked the beginning of an organized inventory of the Town's wetlands, under the direction of Richard Cook. During the spring, a group of volunteers met regularly to prepare the inventory materials and research needed to conduct the inventory. The "New Hampshire Method for Evaluating Freshwater Wetlands" is being used to guide the work. Field work will be initiated in the spring of 1994. Additional volunteers are needed. Anyone who is interested in participating in a most valuable project should contact Richard.

Two speakers programs were held this year. On February 3rd, Steven Taylor, Commissioner of Agriculture, gave a talk on "Farms, Food and the Future in New Hampshire." Also the Warner Historical Society, which co-sponsored the program, presented an informative look at the history of farming in Warner, as related by a number of residents who described their own experiences. The second program, held on December 1st, featured a slide presentation by David Carroll on the "Wetlands of Warner". David explained the many functions served by wetlands and described the various types. Both of these programs were well attended and encourage the Commission to host additional speakers in 1994. Anyone who has suggestions for speaker topics or who might be willing to participate in a future program is urged to contact a Commission member. We wish to thank two charter members of the Conservation Commission who have stepped down after contributing a great deal to the Commission and the Town - Bob Bower and Alice Chamberlin.

The Commission meetings are held on the first Wednesday of every month at 7:30 P.M. in the Town Hall. Everyone is welcome to attend and express their concerns and interests.

1993 WARNER TRANSFER AND RECYCLING STATION REPORT

Daniel Lavoie has been with us for a little over a year and Wayne Durgin returned to help part-time; both are doing a great job. We have collected and recycled 6 barrels (55 gal. drum size) of used oil filters that used to go into the household trash. The “CFC’s” (freon gas) collection has gone from 10 lbs. collected in 1992 to 68 lbs. this year, a great savings to the environment.

Dan and Wayne are building a roof to cover the demolition container and have enlarged the area for a second container. By covering the containers it should keep the materials from taking on water, ice and snow which reduces the expense of disposal. We will attempt to send some of the demo material to the incenerator this year. The savings should be significant.

We are currently looking into and preparing to start a textile recycling program in 1994. Look for notices at the transfer station as to the starting date

The Household Hazardous Waste Collection Day was held at the Henniker Highway garage this year. Only 11 Warner households used this service this year, down considerably from 49 that came when it was held in Warner last year. We will hold it this year in town.

We exceeded the G.A.T. (Gross Annual Tonnage) set at 1000 ton by 51.10 tons. The G.A.T. was set at 1050 tons for 1994. This might prove to be low with the economy and growth getting a little better and sending demo material. We will have to try hard to make it work. This year the tipping fee will be \$40.50 per ton up \$1.05 from last year and transportation cost are up slightly.

The following statistics are for the materials taken out of the waste stream and recycled:

Metal and steel cans.....	82.57 tons
Cardboard.....	124 tons
Newspaper	56 tons
Plastics.....	16.76 tons
Aluminum cans & foil	4.21 tons
Glass.....	<u>48</u> tons (approx. weight)
Total:	331.54 tons

I would like to remind everyone that **we are by law NOT permitted to take liquid paints, thinner or any other similar items.** Please check with the attendants, they will be glad to help you make the right choice for disposal of these items. I would also like to thank our volunteers who help throughout the year and

all of the residents for making it possible to recycle an additional 85 tons in 1993 exceeding our 1992 record. We look forward to serving you this coming year.

Respectfully submitted,
Allan N. Brown, Superintendent
Warner Transfer and Recycling Station

1993 WELFARE REPORT

This has been an interesting year for the Welfare Department. We keep hearing that the economy has picked up, but we have not really seen any evidence of it here in Warner. One of the new laws enacted this year was to make the Town responsible for funeral expenses of any Warner resident residing in a county nursing home, if they are unable to pay for it. Previously the responsibility of payment fell on the town in which the county nursing home was located.

I want to thank the United Church of Warner Mission Committee for their help over the last two years. As a result of their assistance we have been able to help keep the welfare budget at a minimum.

Respectfully submitted,
Barbara Chellis, *Overseer*

Grand Total	\$4,607.65
Amount of assistance paid back	\$ 332.50

WARNER PARKS & RECREATION

Construction work at Clark's Interval which included the new soccer field, parking area and access to the property was completed. The grass seed was planted and we are expecting to begin use of the field during the 1994 soccer season.

Dalton Field, the new softball field, was completed and heavily used during 1993. A scoreboard was donated and erected during 1993 and the infield work was completed to correct the drainage problem. The field is one of the best fields available in our league for softball.

During 1993 Parks & Recreation hosted the Babe Ruth Softball - District I Tournament for ages 12 and under. The Tournament was a major undertaking for Parks & Recreation and involved teams from six leagues around the state. Our own Kearsarge Mountain League team finished second in the tournament. Many thanks go out to the businesses and individual volunteers that helped with this project.

Parks & Recreation held a soccer camp in August. Approximately 80 children participated in the program, which was well received and has been requested again for 1994. Our regular fall soccer program had approximately 140 children participate during 1993 and we expect the number to continue to grow in the years ahead.

Babe Ruth Baseball and Softball had approximately 165 participants during 1993. the program continues to improve and we expect involvement to continue to increase. As play within the league continues to improve so does the quality of play turned in by the youths of Warner

The theater group known as "Kids in Action", continues to do well during the summer and we urge you to attend their productions. Steve Daigle continues to serve as director.

Work was started at the former reservoir to create a town beach and picnic area. This project, if approved by the voters, will continue in the future and provide many hours of recreational activity for all residents of the town when completed

Parks & Recreation wishes to thank all of the volunteers that donate so much of their time to the projects we undertake. The coaches, assistants, umpires, grounds keepers, referees, concession stand attendants and everyone that participates make the programs a success for everyone involved.

1993 CENTRAL NEW HAMPSHIRE REGIONAL PLANNING COMMISSION ANNUAL REPORT

The Central New Hampshire Regional Planning Commission (CNHRPC) is a voluntary association of towns in Merrimack and Hillsborough Counties, providing administrative and technical support and advice throughout the year.

For Warner this included, in 1993, providing copies of zoning ordinances from other towns dealing with definitions of “change of use”; providing information on the Americans with Disabilities Act, providing samples, models, and reference on time limits to file subdivision plats and to commence the required improvements, as well as furnishing information on the possible legal aspects of the so-called “Chester case” on other communities. At the Planning Board meeting on November 1st, a Commission staff member presented and reviewed a draft of the transportation element of the regional master plan, noting possible present and future problems.

CNHRPC continues to provide high quality technical knowledge and timely service to its member towns at a comparatively low cost. If it were necessary for the town to resort to other sources the cost would be much higher. Warner is fortunate to have this resource.

Warner Representatives

NANCY SIBLEY WILKINS-TOWN OF WARNER TRUST FUND REPORT

The Nancy Sibley Wilkins Town of Warner Trust Fund was established under Miss Wilkin's will to benefit the townspeople of Warner through causes found worthy by a board of four trustees, comprised by appointment of the Board of Selectmen, The United Church of Warner, the Warner Historical Society and a member at-large appointed by the preceding three. The fund endowment (\$100,000.) is managed by the NH Charitable Fund. Distributions of income are by grants made from time to time as determined by the Trustees in response to grant and loan applications.

In making grants, the Trustees will give priority consideration to projects undertaken by local non-profit organizations or public agencies which the grants will:

Provide seed money, bridge funding, capital improvements or leverage for grantees to become more effective or to expand services or resources in order to confer greater general benefit to the people of Warner

Support exemplary programs where modest amounts available will have the greatest impact

Enable grantees to build diverse sources of support without dependence upon regular grants from the Trust

The Trust Fund became fully funded in January of 1993 and the Trustees meeting of November 16th made the following distributions for 1993:

Pillsbury Free Library — \$3,500 for the purchase of furniture and equipment for the new library addition

Warner Parks and Recreation — \$1,500 to support establishing a swimming area at Silver Lake Reservoir. This funding is contingent on Town approval of establishing a swimming area at Town meeting.

Request for grants should be made through the Selectmen's office.

**AUDITOR'S REPORT FOR THE WARNER VILLAGE
WATER DISTRICT
FOR THE YEAR ENDING DECEMBER 31, 1993**

Board of Commissioners
Warner Village Water District
Warner, New Hampshire

Gentlemen:

I have audited the accompanying balance sheet of the Warner Village Water District for the year ended December 31, 1993, and the related statements of revenues and expenditures for the year then ended. These financial statements are the responsibility of the District's Management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, financial statements referred to above present fairly, in all material respects, the financial position of the Warner Village Water District, Warner, New Hampshire, as of December 31, 1993 and for the year then ended in conformity with the generally accepted accounting principles.

Respectfully submitted,

L. Patrick Kelly
Certified Public Accountant

WATER DISTRICT COMMISSIONERS' REPORT 1993

The District completed the replacement of 600 feet of antiquated sewer and water lines on Depot Street and Kearsarge Street Extension. This was done at the same time that the town was widening Depot Street and improving the storm drains on Kearsarge Street Extension, to reduce the cost of construction and to minimize disruptions in the village area.

The District experienced a water emergency when the pump at the Royce Well failed. The staff, with the assistance of Commissioner Phil Lord, was able to correct the situation with minimal disruption to service.

The water level control devices at the Denny Hill storage tank were upgraded to rectify the problem of lightning strikes. In the past this has been a costly problem both in man hours and repairs. The old probe system was replaced with a new ultra sound system which will greatly reduce the danger of damage from lightning.

Superintendent Jim Bailey has been putting a lot of effort into cutting costs and improving the running of the treatment plant. He has installed a system of timers that allow the equipment to run on a more regulated schedule, rather than continuously or only when the plant is manned. He is also scheduling the replacement of inefficient systems and equipment with more cost and energy efficient ones. He and Tom have also been working on improvements to the reed beds used in the sludge drying process, which will give us a few more years of use before we will have to remove the sludge.

To conform to State regulations two underground storage tanks were dug up and removed at the treatment plant. They were replaced by new tanks inside the plant. One is used for diesel fuel to run the backup generator and the other is for storing chlorine used in the wastewater treatment process.

In July the new rate schedule was begun. Administrative Assistant Peg McLaughlin was able to convert the billing system to the new rate without any major problems. The rates have not been in place long enough to determine their full effect, but the current figures are encouraging. The Commissioners held a public meeting in January to get the users' input as to any problems, concerns or improvements to the rate structure. A major problem in setting rates is the small size of our user base and the increasing number and cost of government required tests.

The Commissioners are submitting a grant application for monies to construct a backup well and wish to thank all who responded to the income survey. The

results of the survey will aid in obtaining the grant. The reason for the second well, besides being a needed backup, is that the State requires it. If we do not have a backup source we are in violation of the regulations and are subject to fine.

The Commissioners would like to take this opportunity to acknowledge Peg McLaughlin, Jim Bailey and Tom Chandler for their contributions and service to the residents of the Precinct. Without their dedication and hard work the Precinct would not run as efficiently as it does. Thank you for a job well done.

Respectfully submitted,
PETER E. NEWMAN, Chairman
PHILIP W. LORD
DAVID E. HARTMAN

TOWN MEETING

MARCH 9, 1993

1. To choose all necessary Town Officers for the year ensuing.

Town Officers elected are as follows:

Selectmen for Three Years	J.D. Colcord	296
Town Treasurer for One Year	Barbara S. Proper	326
Almoners of Foster & Currier Funds for Three Years	Alderic O. Violette	318
Overseer of Public Welfare for One Year	Barbara A. Chellis	313
Trustee of Pillsbury Free Library for Three Years	Owen Michael LaPlume	241
	Victor M. Kumin	279
	Peter Sabin	280
Budget Committee for Three Years	George Lindner	136
	Hastings Rigollet	117
Trustee of Trust Funds for Three Years	Roy Ferguson	34
Trustee of Town Cemeteries for Three Years	George A. Guimond	308
Member of Chandler Reservation Commission for Four Years	Richard A. Cutting	312
Member of Warner Parks and Recreation Commission for Three Years	Faith Minton	273
	Paul Talarico	166

Kearsarge Regional School District Elections:

School Board - Term Ending 1996	Sherry L. Gould	228
Municipal Budget Committee Term Ending 1996	Nicholas Mitchell	282
Moderator for One Year	Robert E. Bowers, Jr.	287

ADJOURN TO WEDNESDAY, MARCH 10, 1993 AT 7:30 P.M.

The 219th Annual Meeting of the Town of Warner was called to order at 7:30 P.M. by Moderator Donald Gartrell. The attending Townspeople rose to the Pledge of Allegiance, followed by the Invocation delivered by Rev. Dr. Alan Trent, Minister of the United Church of Warner.

Before voting on the first article, Moderator Gartrell felt it important to bring attention to the change in the law with respect to the "reconsider vote." RSA 40:10 Optional Restriction on Reconsideration.

I. A town may, at any time during a meeting, and without notice in the warrant, vote to restrict reconsideration of any one or more votes previously taken at that meeting, or warrant articles previously considered at that meeting. No vote or article which has been restricted under this section, nor the restriction itself, shall be reconsidered during that meeting or any adjourned session of such meeting, except as provided in paragraph II.

II. Upon approval of a motion to reconsider any vote or warrant article subject to such a restriction, actual reconsideration shall take place at an adjourned session of the meeting held at least 7 days after the date on which the motion to reconsider was approved. Notice of the date, time, and place where the adjourned session is to be held shall be given by announcement prior to the close of the session at which the motion to reconsider was approved, and shall also be published in a newspaper of general circulation in the municipality at least 2 days before the reconsideration.

III. A restriction adopted under this section shall continue until final adjournment of the meeting at which it is adopted, or any adjourned session of such meeting.

IV. A restriction adopted under this section shall apply to any subsequent action by the meeting which alters or modifies the result of the restricted vote, or which involves the same subject matter as does the restricted vote or warrant article, regardless of whether or not the term "reconsider" is actually used.

V. This section shall apply to town meetings, cooperative school district meetings under RSA 195 and school district meetings under RSA 197.

Statement of purpose. 1991, 284:1, eff. August 17, 1991, provided: "The purpose of this act (which enacted this section) is to allow town meetings, or other meetings subject to the procedures of RSA 40, the option of altering the principle set forth in *Byron v. Timberlane School District*, 113 N.H. 449, that any business may be reconsidered at any time until final adjournment of a meeting. This act [which enacted this section] permits the voters, in their discretion, to limit reconsideration in order to provide those who may not be present for the full meeting with binding assurance that such reconsideration will not occur unless they are given an opportunity to participate.

Results of the Town Election, the previous day were announced.

ARTICLE 2. To see if the Town will vote to raise and appropriate the sum of Two Hundred Thousand Dollars (\$200,000.00) for renovation and expansion of the Pillsbury Free Library, One Hundred and Seventy-Five Thousand Dollars, (\$175,000.00) of such sum to be raised through the issuance of bonds or notes under and in compliance with the Municipal Finance Act, RSA 33:1 et seq. as amended; Twenty-Five Thousand Dollars, (\$25,000.00) to be raised by taxation; the balance of funds for the project to be made available from donations, Library Trust Funds, and other funding sources for renovations, additions, and improvements to the Pillsbury Free Library; to authorize the Selectmen and the Library Trustees to apply for, obtain and accept federal, state or other aid, if any, which

may be available for said project and to comply with all laws applicable to said project; to authorize the Selectmen and Treasurer to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof; and to authorize the Selectmen and the Library Trustees to take any other action or to pass any other vote relative thereto. (Recommended by the Budget Committee and included in the Budget.)

NOTE: Yes and No ballot required. 2/3 vote for passage. Ballot to stay open for one hour.

Motion made by Henry Aplington II and moved for adoption..Seconded..

ARTICLE 3. To see if the Town will vote to change the name of Kearsarge Street, Tory Hill, Henley and Kearsarge Mountain Road to Kearsarge Road meaning to include all the road from its intersection with Main Street (Rte. 103) to the toll gate. This action is necessary to comply with the statewide emergency 911 guidelines.

Motion made by Ralph C. Kemper and moved for adoption..Seconded..

Motion made by Fred Courser to amend the article to read "to the summit of the park" rather than "to the toll gate," due to the fact that there are buildable lots past the toll gate.

Amendment moved and seconded..Ayes in the affirmative..Amendment accepted..

Motion made by Fred Creed to amend the article to change the name Kearsarge Road to Kearsarge Mountain Road.

Amendment moved and seconded..Ayes in the affirmative..Amendment accepted..

Hearing no further discussion, the vote on the main motion as amended was called. Seconded.

To see if the Town will vote to change the name of Kearsarge Street, Tory Hill, Henley, and Kearsarge Mountain Road to Kearsarge Mountain Road meaning to include all the road from its intersection with Main Street (Rte. 103) to the summit of the Park. This action is necessary to comply with the statewide emergency 911 guidelines.

Voice vote..Ayes in the affirmative..Motion carried.

ARTICLE 4. To see if the Town will vote to accept from the Warner Village Water District the ownership of the Silver Lake Reservoir, Dam and the four adjacent parcels of land as shown on Map 9, Lots 2,3,5, and 6-1. Said transfer is conditioned upon continual use of these parcels for recreational purposes and that said land shall revert to the District in the event that such lots are used for any other purpose.

Motion made by J.D. Colcord and moved for its adoption. Seconded.

The question on Article 4 was called. Seconded..Voting was by paper ballot.

ARTICLE 5. To see if the Town will vote to change the method of selecting the Overseer of Public Welfare from Elected to Appointed effective with the 1994 Town Meeting per RSA 41:2.

Motion made by Carther-Lynn Bean and moved for adoption..Seconded..

The question was called. Motion made..Seconded..Voice vote..Chair in doubt..Hand vote called..

Voting Yes - 119 Voting No - 69 Motion carried..

Article 4. - Results - Silver Lake Reservoir..

Voting Yes - 155 Voting No - 60 Motion carried..

Article 2. A call for anyone wishing to cast a vote on the article before it was declared closed was made. Hearing and seeing no response, the voting was declared closed.

ARTICLE 6. To see if the Town will vote to change the term of office of the Town Treasurer from one (1) year to three (3) years beginning with the term of office in 1994. (Submitted by Petition Article per RSA 41:26a)

Motion made by Jeanne Hallenborg and moved for adoption..Seconded..

No discussion..Voice vote..Ayes in the affirmative..Article carried..

ARTICLE 7. To see if the Town will vote to support having the Kearsarge Regional School District Annual Meeting held simultaneously at several places, one such place to be designated the central meeting place and the others as subsidiary meeting places. Communications between all places shall be continuously available, and the voters at all places shall have the opportunity to participate in the District Meeting in a manner satisfactory to the officers calling the meeting.

Motion made by Ralph C. Kemper and moved for adoption..Seconded..

Voice vote..Chair in doubt..Hand count called..

Hand count..Voting Yes - 95 Voting No - 77 Article carried..

ARTICLE 8. To see if the Town will vote to authorize the Selectmen to conduct a complete revaluation of the Town starting in 1993 and to be completed in 1994; to raise \$1,000 from taxation and authorize the withdrawal of \$40,000 from Capital Reserve plus interest that has accrued for this purpose; and to appoint the Selectmen as agents to administer the fund. (Included in the budget and recommended by the Budget Committee.)

Motion made by Barbara Annis and moved for adoption..Seconded..

Voice vote..Ayes in affirmative..Article carried..

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of Fifty-four Thousand Dollars (\$54,000) to reconstruct Depot Street. (Recommended by the Budget Committee and included in the budget.)

Motion made by J.D. Colcord to pass over the article until another year.

Seconded by Otto Fredericks..

Mr. Gartrell explained the ruling of the chair which would take a two-thirds vote to kill or pass over an article once it was placed on the warrant. Anyone not agreeing with his ruling could challenge it.

Fred Courser, not agreeing with Mr. Gartrell, challenged his ruling, which was no surprise to Mr. Gartrell. A second was given.. The question was then placed before the house. The chair being challenged, a two-third vote was required to pass over the article. A "yes" vote would overrule the chair. A "no" vote would sustain the chair. Voice vote..The chair was in doubt..A show of hands was called. The challenge was sustained and the majority vote was called to pass over the article.

Voice vote..Ayes in the affirmative.. Article was passed over..

The results of the voting on Article 2 were announced..333 votes cast
Voting Yes - 216 Voting No - 117 Motion failed.

It was discovered an error had been made on the counting of the ballots of Article 2. The Supervisors of the Checklist questioned the original count of 333 when they had only distributed 302 ballots. Much discussion followed in clarifying the error. It was discovered that some of the "no" ballots were counted more than once. The ballots were recounted and the correct count showed a total of 295 ballots cast..

A motion was made to reconsider the vote on Article 2..Seconded..
The question was called on the motion. Seconded..

Hand count was taken. The Nays had the count and the motion to reconsider the vote was defeated..

Article 2. To see if the Town will vote to raise and appropriate the sum of Two Hundred Thousand Dollars for renovation and expansion of the Pillsbury Free Library, etc.

Motion made and seconded. Voting Yes - 216 Voting No - 79
This vote now gave the article the 2/3 vote needed for passage. Article passed.

A motion was moved and seconded to reconsider the vote to pass over Article 9 (to reconstruct Depot Street).

Discussion followed..The reason being to coincide with the construction of the new addition to the library, it would seem like the appropriate time to reconstruct Depot Street. Allan Brown, Road Agent, agreed that even though the Depot Street project was not 100% related to the library, a majority of the work would be connected and it would be an opportunity to complete both projects.

The question to reconsider the vote to pass over Article 9 was made and seconded..Voice vote - Ayes were in the affirmative and Article 9 was called back for reconsideration.

Article 9. To see if the Town will vote to raise and appropriate the sum of Fifty-Four Thousand Dollars (\$54,000), to reconstruct Depot Street.

Motion made by J.D. Colcord..Seconded..

The question was raised for the passing of the Article..Seconded..Ayes were in the affirmative..The motion carried.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of One Million Six Hundred Sixty-Six Thousand Two Hundred and Four Dollars (\$1,666,204), which represents the bottom line of the posted budget, as recommended by the Budget Committee. (Said sum is inclusive of all articles included by the Budget Committee.)

Motion made by Barbara Annis and moved for its adoption..Seconded..

Voice vote..Ayes in the affirmative..Motion carried..

An update on the Carriage Trail Acre situation was given by J.D. Colcord, as requested by Fred Courser.

ARTICLE 11. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend, without further action by town meeting, money from the state, federal or other governmental unit or a private source which becomes available during the year in accordance with RSA 31:95-B.

Motion made by Carther-Lynn Bean and moved for adoption. Seconded.. No discussion.. Voice vote..Ayes in the affirmative..Article carried.

ARTICLE 12. To see if the Town will authorize the Board of Selectmen and the Town Treasurer to borrow money in anticipation of taxes on the note or notes of the Town.

Motion made by Joanne Hinnendael and moved for adoption..Seconded..

No discussion..Voice vote..Ayes in the affirmative..Article carried.

ARTICLE 13. To hear reports of the officers of the Town heretofore chosen and Committees appointed and to pass any vote relating thereto.

Motion made by Richard Cutting and moved for adoption..Seconded..

No discussion..Voice vote..Ayes in the affirmative..Article carried.

ARTICLE 14. To see if the Town will authorize the Board of Selectmen to sell property taken for taxes by sealed bid or public auction after notifying abutting property owners of pending sale.

Motion made by Ralph C. Kemper and moved for adoption..Seconded..

No discussion..Voice vote..Ayes in the affirmative..Article carried.

ARTICLE 15. To see if the Town will vote to authorize the Board of Selectmen to accept the dedication of any street shown on a subdivision plat approved by the Planning Board, provided that such street has been constructed to applicable town specifications as determined by the Board of Selectmen or their Agent.

Amended to read:

ARTICLE 15. To see if the Town will vote to authorize the Board of Selectmen to accept the dedication of any street shown on a subdivision plat

approved by the Planning Board, provided that such street has been constructed to applicable town specifications as determined by the Board of Selectmen or their agent. The Board of Selectmen shall refer proposed names of roads within the Town of Warner to the Naming of Roads Committee which shall in consultation with the Warner Historical Society, recommend to the Selectmen for approval by the Town, names which possess historical association with the Town of Warner.

Motion and amendment made by J.D. Colcord and moved for adoption. Seconded.. No discussion.. Voice vote.. Ayes in the affirmative..Article carried.

ARTICLE 16. To see if the Town will vote to authorize the Board of Selectmen to accept on behalf of the Town, gifts, legacies and devises made to the Town in Trust for any public purpose, (after a public hearing), as permitted by RSA 31:19.

Motion made by Nils Regnell and moved for adoption.. Seconded..
No discussion.. Voice vote.. Ayes in the affirmative.. Article carried.

ARTICLE 17. To see if the Town will vote to authorize the Board of Selectmen, on behalf of the Board of Trustees of the Pillsbury Free Library to apply for, accept, and expend, for library purposes, without further action by the town meeting, money from the State, Federal or other governmental unit or a private source which becomes available during the fiscal year, as permitted by RSA 31:202-A:4-c.

Motion made by Stephen Wolfe and moved for adoption.. Seconded..
No discussion.. Voice vote.. Ayes in the affirmative.. Article carried.

ARTICLE 18. To see if the Town will vote under RSA 31:39 to permit the Board of Selectmen to adopt bylaws on behalf of the Town of Warner until the next annual meeting.

Motion made by Carther-Lynn Bean and moved for adoption.. Seconded..
No discussion.. Voice vote.. Ayes in the affirmative.. Article carried.

ARTICLE 19. To transact any other business that may legally come before said meeting.

Hearing none, the motion was made for adjournment by Fred Courser. Seconded.. All were in favor.

The 219th Annual Town Meeting of the Town of Warner was declared closed at 11:55 P.M. by Moderator Donald E. Gartrell.

Respectfully submitted,

Jeanne C. Hallenborg
Town Clerk

TWENTY-FIVE YEARS AGO - TOWN MEETING

March 12, 1968

The New Hampshire Preferential (Presidential) Primary and local balloting was opened on March 12, 1968 by Moderator L. Waldo Bigelow at 9 a.m. at the Town Hall. John P.H. Chandler, Jr. acted as Deputy Moderator. Balloting continued quite steadily all day. Dinners (lunch) were served at Bill's Place. Suppers were served during a snow storm at the comfortable home of Mr. and Mrs. Clifford Sawyer on Jordan Hill. Balloting was suspended at 7 p.m. and the annual business meeting opened with a prayer by Rev. Kenneth Nichols and a salute to the flag by American Legion Post members Thomas B. Henley and Robert B. Cutting.

- ARTICLE 2 That the sum of \$84,241.99 be detailed in the report and by recommendation of the Budget Committee, be hereby appropriated and the sum of \$43,669.99 be raised by taxation. Presented by J. O'Rourke. Voted yes.
- ARTICLE 3 That the Town Officers be selected by the non-partisan ballot system as provided in Section 73, Chapter 59 of the NH Revised Statutes Annotated. Presented by John P.H. Chandler, Jr. Discussion showed that in 1954 a change from the Caucus System to non-partisan was effected. In 1961, it was voted to return to the Caucus System. Voted yes.
- ARTICLE 4 That the Town authorize the Selectmen and Treasurer to borrow money in anticipation of taxes on the note or notes of the Town. Presented by Charles H. Hemphill Voted yes.
- ARTICLE 5 That the Town authorize the Selectmen to sell property taken for taxes. Presented by C. Leland Slayton. Voted yes.
- ARTICLE 6 That the reports of the Officers of the Town heretofore chosen and the committees appointed be accepted as appearing in the Town Report. Presented by T.J. Bliss. Voted yes.
- ARTICLE 7 That the Town raise and appropriate the sum of \$546.00 toward payment of the Concord Hospital deficit. Presented by John R. Hill. Discussion showed that this figure was already in the approved Town Budget. Article retracted by John R. Hill. Passed over.
- ARTICLE 8 To see if the Town will vote to appropriate the sum of \$8,500 for the purpose of purchasing new equipment for the Town Highway Department, the sum of \$2,500 to be raised by taxation in the year 1968 and the Board of Selectmen and the Town Treasurer be authorized to borrow the remaining amount not exceeding \$6,000

on note or notes of the Town to be paid off in the sum of \$2,000 annually until said note or notes are paid in full. Presented by James O'Rourke. Discussion showed that this amount was already in the approved Town Budget. Passed over.

ARTICLE 9 To see if the Town will vote to appropriate the sum of \$8,000 for the purpose of repairing Waterloo Bridge, the sum of \$2,000 to be raised by taxation in the year 1968 and the Board of Selectmen and the Town Treasurer be authorized to borrow the remaining amount not exceeding \$6,000 on note or notes of the Town to be paid off in the sum of \$2,000 annually plus interest until said notes are paid in full. Presented by T.J. Bliss. Discussion followed emphasizing the great need of this repair as the bridge carried heavy traffic. Area residents stressed their desire to retain the original facade. It was decided to ask engineers about repairing and replacing the uderpin-nings without disturbing the exterior. It is the Town's wish to repair rather than replace the bridge. Voted yes.

ARTICLE 10 To see what action the Town would take toward making the Old Main Road from the eastern terminus of Route 103 to its intersec-tion with Denny Hill Road, a one way street allowing traffic to flow westerly only. Presented by T.J. Bliss. Discussion followed with many objections by residents to the plan and pointed argu-ments that the State would need to be considered. Mr. Bliss with-drew the article in view of the objections. Passed over.

ARTICLE 11 That the Town Clerk deliver to Mrs. Doris Bean a letter from the Town of Warner congratulating her on being selected as New Hampshire Mother of the Year. Presented by Carther-Lynn Bean. Voted yes.

ARTICLE 12 Motion made to close the business meeting and re-open the polls. Presented by John P.H. Chandler, Jr. Voted yes. Voting continued until all present had voted and Moderator declared the polls closed at about 9:30 p.m. In the Preferential Primary there were 361 votes cast from a checklist of 720 names. Warner's choices for President were Republican Richard M. Nixon (317) and Democrat Eugene McCarthy (44).

On September 10th the Town participated in a Federal and State Primary. The meeting opened for voting at 9 a.m. following the reading of the warrant by Moderator L. Waldo Bigelow, Jr. and balloting continued through the day until 6 p.m. Ballots were counted and recorded by 10:30 p.m. Out of a checklist of 717 names, votes cast were 274 Republican and 31 Democratic.

On September 23rd a Letter of Recount was received from the Secretary of State requesting immediate shipment of all ballots used and unused.

A Presidential Election was held on November 5th with 750 voters on the checklist and four voters on a Special Checklist. A new law authorized issuing Special Presidential Ballots to voters with less than six months of Town residency. Also on the ballot were questions regarding Constitutional Amendments and a State Sweepstakes. The results of Warner's balloting favored passage of all the Amendment questions as well as instituting a State Sweepstakes. Republicans Richard M. Nixon and Walter Peterson were Warner's choices for President and Governor respectively. Balloting opened at 9 a.m. and was completed about 10:30 p.m.

Original report respectfully submitted by:

Nellie M. Dow, *Town Clerk*
